

Administrative Proficientness for Administrators and Secretaries

Tools for Competency Development

Introduction

The goal of this Course N Carry Administrative Excellence for Secretaries and Administrators training programme is to help participants enhance their current competencies into superior ones by providing them with a better understanding of the "people skills" and "individual skills" that are essential in a business setting.

This training session for Course N Carry focuses on:

- The "HOW?" is using essential behaviours and abilities to build personal competences.
- The "WHAT?" is acquiring the task competences required for process delivery to be effective.
- Enhancing your current level of expertise and competence.
- Providing you with enhanced insight into how you and your coworkers might collaborate more successfully in any workplace setting.
- creating a follow-up action plan that will enable you to use your newly acquired abilities at work

Objectives

Participants in this exclusive 10-day Course N Carry training programme will be able to:

- Determine, cultivate, and enhance the essential skills required for exceptional performance.
- Boost your capacity for original thought, problem solving, and judgement.
- Boost your ability to read and take excellent notes.
- Recognise and use basic memory systems.
- Be more adept in interpreting behavioural and personality traits in order to influence others to their liking.
- Create a strategy and plan for personal growth.

Training Methodology

In the Course N Carry Administrative Excellence for Secretaries and Administrators training programme, formal lectures are combined with individual and group exercises, case studies, work inventories, psychological testing, and role-plays. Another essential

component is having intergroup conversations to exchange professional experiences. Throughout this Course N Carry training course, skills are presented and then reviewed on a regular basis. Skills and performance are strengthened and embedded as a result.

Delegates may also speak one-on-one with the highly qualified teachers about any concerns or difficulties they may have.

Organizational impacts
